The corner at Elm and Houston, and I happened to look up there at the building, the Texas School Book Depository Building, and I saw a man at the window on the fifth floor, the window was wide open all the way; there was a stack of boxes around him, I could see. Bob remarked that he must be hiding from semebody. I noticed that he had on a sport shirt, it was light colored, it was yellow or white, semething to that effect, and his hair was rather short; I thought he might be something around twenty-six, as near as I could tell.

The motorcade rounded the corner about this time, and then I thought I heard four shots, but it never occurred to us what it was. The shots seemed to come from that building there.
